Graceful Scars By Savannah Stewart

Graceful, the word itself was instilled into Tegan Carter's head at an early age, but anymore she feels far from graceful. When her world is turned upside down she finds herself spiraling into the darkness without any light in sight, until Talon Fisher walks into her life. Trying to find herself again, Tegan is faced with a dilemma she doesn't want to encounter. But will her scars keep her from allowing herself a second chance at a normal life, or will she continue to free fall into the darkness?
