How to Rape a Straight Guy By Kyle Michel Sullivan

There's more than one way to rape a straight guy, and Curt's been through them all. Now he's out to do some damage. Curt has been beaten, betrayed, and brutalized by nearly everybody he's known. Even his mother -- once a prostitute but now married and born again -- has banned him from contact with his younger brother and sisters. Then he went through six years in prison and came out ten times harder than when he went in. Demands from his wife and zero prospects of a decent job are making it impossible for him to even think of having a normal life...until he's hustling two gay men in a bar, one afternoon, and mentions his experiences in prison -- which included forcing straight cons to get off as he raped them. A very satisfying method of revenge. It seems the two men, Wayne and Lenny, want some revenge of their own against a straight guy who's caused them trouble. If Curt can get the bastard off while being assaulted, they'll give him a car, cash, and a chance at a new life. Being in the mood to do some damage, Curt agrees...but step-by-step a stupid little bet begins to spin out of control and threatens to plunge him headlong into disaster. And he's not sure he wants to stop it.

Editorial Review

From the Author

I don't know where this book came from; it's more like I was channeling Curt as he told the story. It's hard and brutal, and there is a lot of sex in it (both gay and straight), but it has a solid comment on the reality of revenge...and on America's pathetic system of "justice." Be warned -- this ain't no easy slide down the slopes, for damn sure.

I did it on a bet. Yeah, I know, I know -- that's a stupid-shit reason to do anything, but I was in the mood to do some damage so I figured I'd do it up right. 'Course, it didn't hurt -- or help -- that I was already pissed at my bitch of a wife from a back-an'-forth we'd had earlier in the day. An' that I had a couple beers under my belt when the idea came up. Shit, more'n a couple. But still, all that is even more of a stupid-shit reason to do anything. I guess it started out when the two faggots that were buyin' those beers got to yammerin' back an' forth over whether or not any guy is capable of queer sex, no matter how straight he is. They were dumb enough to think I couldn't see what they were up to -- usin' this "argument" as a way to see if I was "available" for one of 'em. Or both. An' how much it'd cost. It's so fuckin' lame. Normally, I can blow that shit off; six years at Mid-State taught me how. But then they got to where they really were snipin' at each other, so there was no way for me to ignore it all. Ignore what they were sayin', I mean. Ignore what it got goin' in my head. Shit, that makes me sound crazy. I'm not. I swear. But I can see how somebody'd think I was from some of the crap I spew. Crap that sneaks past that lazy-assed censor in my brain. Sometimes I'll pop off with any kind of shit you can imagine, just to get a rise out of somebody. Kind of a fun game. Sometimes. An' maybe that's what I was thinkin' when I first popped off at Wayne. Nothin' serious, here; just a bit of mind-fuck, y'know? I mean, it's not like I started my day thinkin' I needed to get even with the world one asshole at a time. "Pun intended," as Lenny'd say. Or even that I really wanted to. But it was just the kind of day -- shit, the kind of world I was in -- that got me driftin' into somethin' really fuckin' stupid. But that's how I get, every now an' then. This hard-assed attitude builds inside me where I want to rip somethin' apart -- books, clothes, laws, people, it don't matter -- an' I can't set myself straight. Can't see the reality of what's happenin'. Can't hear the warnin' bells screamin' in my head till after I'm done an' it's too late. So you see, this really wasn't some snap decision I made after my fifth or sixth brew. It was a slow buildin' ladder of steps that grew up after a few -- hell, more'n a few -- years of crap heaped on me that got topped off by a few hours of "chit-chat," as Wayne'd call it.

Users Review

From reader reviews:

Claire Underwood:

Precisely why? Because this How to Rape a Straight Guy is an unordinary book that the inside of the reserve waiting for you to snap it but latter it will distress you with the secret the item inside. Reading this book alongside it was fantastic author who also write the book in such incredible way makes the content on the inside easier to understand, entertaining way but still convey the meaning totally. So , it is good for you because of not hesitating having this any more or you going to regret it. This amazing book will give you a

lot of benefits than the other book get such as help improving your proficiency and your critical thinking technique. So , still want to hesitate having that book? If I had been you I will go to the e-book store hurriedly.

William Pare:

Is it you who having spare time then spend it whole day by simply watching television programs or just telling lies on the bed? Do you need something totally new? This How to Rape a Straight Guy can be the respond to, oh how comes? It's a book you know. You are therefore out of date, spending your free time by reading in this brand-new era is common not a geek activity. So what these publications have than the others?

Carmen Vasquez:

As we know that book is important thing to add our expertise for everything. By a reserve we can know everything we want. A book is a set of written, printed, illustrated or blank sheet. Every year has been exactly added. This publication How to Rape a Straight Guy was filled concerning science. Spend your extra time to add your knowledge about your scientific disciplines competence. Some people has various feel when they reading a new book. If you know how big benefit of a book, you can sense enjoy to read a e-book. In the modern era like at this point, many ways to get book which you wanted.

Connie Nixon:

That e-book can make you to feel relax. This book How to Rape a Straight Guy was vibrant and of course has pictures around. As we know that book How to Rape a Straight Guy has many kinds or genre. Start from kids until teens. For example Naruto or Private investigator Conan you can read and think that you are the character on there. So , not at all of book tend to be make you bored, any it can make you feel happy, fun and rest. Try to choose the best book for yourself and try to like reading which.
