Pillars of Flame: Power, Priesthood, and Spiritual Maturity By Maggie Ross

Is the priesthood a power to be exercised, or a call to share in the broken Christ? Ross sets modern questions about ordained ministry in the Church within a much wider context, encouraging us to reflect anew on the relationship between administrative power and spiritual authority within the Church, and to redefine the priesthood.

She minces no words in her critique of the contemporary Church, and goes on to propose changes so sweeping and fundamental that we sense what a truly Christian Church would be.
