Shhh...Mack's Side By Jettie Woodruff

My name is McKenzie Perry. I've lived a life filled with secrets. Secrets that took me years to understand. Secrets that my bestie Gia and I kept from the world. Secrets that only I knew. I wasn't afraid of the lies, the secrets, or the hidden skeletons. That's not what frightened me. I was afraid that one day they would come out, somebody would find out the truth. If I am the only one that knew the secrets, the lies, then they were safe, right? How does a well-rounded, talented little girl create a false sense life? It took several years for me to understand the impact of lies. Lies I told, secrets I kept, and the lives they controlled. One of the things I know to be true is, I did the things I did for a reason, even if I didn't know it at the time. They all had a reason.
