Angel: Spotlight - Illyria By Peter David

First up, Peter David (Spike: Old Times) and Nicola Scott focus on Illyria-a goddess without worshippers, existing in a world not her own, surrounded by humans whose emotions she is trying to comprehend. And her greatest sin was the means by which she arrived here in the first place: she destroyed Winnifred Burkle's body and soul in order to use it as her own vessel to exist. Now witness Illyria as she tries to find a personal touchstone by which she can at least understand the human-she returns to the remnants of Fred's old life to try and make herself feel guilty over having destroyed Fred's very existence.
