Beginner's Ukrainian with Interactive Online Workbook, Second Edition By Yuri Shevchuk

This popular language textbook with an interactive website offers an easy, effective, and fun way for beginners to learn how to read, write, speak and understand Ukrainian. The second edition has been updated with new exercises, grammar lessons, photographs and illustrations. Beginner's Ukrainian covers such common conversational topics as meeting people, traveling, shopping, hobbies, family relations, vacationing, meals, weather, and much more. Priority is given to developing learners' conversational skills while providing them with a solid grammar foundation. The book's companion website offers a wealth of interactive conversational, grammar, and phonetic drills designed for use by both independent and instructor-led learners. The book includes fifteen useful lessons, covering everyday situations such as introductions, family, and shopping. An interactive website featuring audio dialogues and exercises recorded using native speakers is also available to users. The guide also includes useful cultural and grammatical notes; appendices of critical information, including declension tables, noun endings, common Ukrainian names, numbers, verb conjugations and more; and a Ukrainian-English/ English-Ukrainian dictionary of words used in the book.

Editorial Review

Review

"*Beginner's Ukrainian* is an excellent textbook that emphasizes learning to communicate through interaction. It helps students to quickly achieve the first level of understanding Ukrainian, maintain a consistent pace in learning, simplify the process of language acquisition, and start thinking in Ukrainian and communicate better in that language. I strongly recommend the use of this valuable textbook in the North American classroom." --Journal of Ukrainian Studies, 2014
