Editorial Review

Review

"This continues as the clinical reference of choice for general and vascular surgeons, particularly those taking oral certifying examinations. Updates are obvious since the previous edition in 2008, and the quality of illustrations has steadily improved. Finally, this edition includes access to a web site with the searchable text and additional resources."- David J. Dries, MD **Doody Review: 4 stars**

Users Review

From reader reviews:

Terry Sugg:

Have you spare time for any day? What do you do when you have more or little spare time? That's why, you can choose the suitable activity with regard to spend your time.
