Indie Author Survival Guide (Second Edition) By S.K. Quinn

****UPDATED SECOND EDITION** (25% more content)**

Want to self-publish? This book will show you how to not only get your works out into the world, but publish them well. With inspirational essays and a step-by-step practical approach, the Guide helps you tackle your fears, plan for success, create a beautiful book package, and market without feeling like a slimeball. It's a guide for the heart as much as the head, designed to help you launch into your publishing journey successfully.

If you're a first-time-publishing author, this book will help you avoid common mistakes and get the best possible start for a new author in 2016. If you've already published, but want to reboot your existing series or launch a new one, the Guide will help you navigate the self-publishing landscape as it stands today.

The *Indie Author Survival Guide* is meant to be used in tandem with *For Love or Money*, the second book in the Crafting a Self-Publishing Career series. Together, these two books will set you on a path of turning your love for storytelling into a career.

****JOIN THE FOR LOVE OR MONEY FACEBOOK GROUP**** Connect with your fellow self-published authors and share information about writing and publishing. Susan hosts monthly consultation giveaways and shares updates on the constantly evolving publishing landscape.

Editorial Review

About the Author

Susan Kaye Quinn is a rocket scientist turned speculative fiction author who now uses her PhD to invent cool stuff in books. Her bestselling novels and short stories have been optioned for Virtual Reality, translated into German, and featured in several anthologies. Susan has been indie publishing since 2011, but she's not an indie rockstar or a breakout success--she's one of thousands of solidly midlist indie authors making a living with their works. Her self-publishing books are based on her personal experience in self-publishing genre fiction--she hopes they will help her writer-friends take their own leaps into the wild (and wonderful) world of indie publishing...and not only survive, but thrive.

Users Review

From reader reviews:

Dianna Chrisman:

Book is to be different for each and every grade. Book for children till adult are different content. As you may know that book is very important usually. The book Indie Author Survival Guide (Second Edition) seemed to be making you to know about other knowledge and of course you can take more information. It is quite advantages for you. The guide Indie Author Survival Guide (Second Edition) is not only giving you more new information but also to become your friend when you feel bored. You can spend your own personal spend time to read your book. Try to make relationship together with the book Indie Author Survival Guide (Second Edition). You never feel lose out for everything when you read some books.

Ok Lord:

Why? Because this Indie Author Survival Guide (Second Edition) is an unordinary book that the inside of the book waiting for you to snap that but latter it will distress you with the secret that inside. Reading this book close to it was fantastic author who write the book in such remarkable way makes the content inside of easier to understand, entertaining way but still convey the meaning totally. So , it is good for you because of not hesitating having this any longer or you going to regret it. This amazing book will give you a lot of benefits than the other book possess such as help improving your ability and your critical thinking way. So , still want to hesitate having that book? If I ended up you I will go to the e-book store hurriedly.

Richard Ault:

Reading can called brain hangout, why? Because when you are reading a book specifically book entitled Indie Author Survival Guide (Second Edition) your head will drift away trough every dimension, wandering in most aspect that maybe unfamiliar for but surely will become your mind friends. Imaging every single word written in a guide then become one form conclusion and explanation in which maybe you never get before. The Indie Author Survival Guide (Second Edition) giving you yet another experience more than

blown away your mind but also giving you useful details for your better life in this era. So now let us demonstrate the relaxing pattern here is your body and mind will be pleased when you are finished reading through it, like winning a. Do you want to try this extraordinary shelling out spare time activity?

Danielle Hawkins:

This Indie Author Survival Guide (Second Edition) is completely new way for you who has curiosity to look for some information because it relief your hunger associated with. Getting deeper you into it getting knowledge more you know or else you who still having tiny amount of digest in reading this Indie Author Survival Guide (Second Edition) can be the light food to suit your needs because the information inside this particular book is easy to get by means of anyone. These books acquire itself in the form that is reachable by anyone, sure I mean in the e-book application form. People who think that in reserve form make them feel drowsy even dizzy this e-book is the answer. So there is not any in reading a e-book especially this one. You can find what you are looking for. It should be here for an individual. So , don't miss the idea! Just read this e-book variety for your better life and also knowledge.
