Island of Fire (The Unwanteds) By Lisa McMann

The fate of Artimé is at stake—and an unlikely alliance could redeem it—in book three in the *New York Times* bestselling Unwanteds series.

The magical world of Artimé is gone. The Unwanteds have no food, no water, and no hope. And everyone is looking to Alex Stowe for answers.

Overwhelmed and feeling totally helpless, Alex knows it's up to him to find a way to restore Artimé, rescue his captive friends, and free Megan from her voice-stealing necklace of thorns—three impossible tasks. But could help lie with the silent, orange-eyed newcomers?

Meanwhile, in the stark land of Quill, Alex's twin brother Aaron continues to build his army, preparing for the ultimate showdown with the Unwanteds. But a shocking twist reveals that Alex and Aaron share a common enemy more dangerous than either could have imagined...

Editorial Review

From School Library Journal

Gr 4–7—This third book in the series begins in the ruins of what was once the world of Artimé, where the residents are now suffering greatly. When their beloved leader, Mr. Today, was killed at the end of the previous book, all of his magic that created Artimé died with him. There is very little food or fresh water and things are growing desperate. Two Artiméans are held captive in neighboring Quill while two more are prisoners on Warbler, the next island in the chain. Mr. Today left young Alex Stowe in charge and gave him a clue to a spell that could restore Artimé to its former magical state. Alex needs the help of his best friend, Meghan, and Sky, a refugee from Warbler, to decipher the riddle, but both of them have been silenced with a horrible spell that has embedded metal thorns into their throats. Meanwhile on Warbler, Lani and Samheed literally cling to each other while they are confined in total darkness, developing their own language of spelling by hand and growing closer to each other. Alex and his friends must re-create Artimé and rescue those held captive. The book closes with a period of recuperation and a celebration which is marred by troubling new developments, leaving plenty of clues for a fourth book. The pacing is slow for most of the narrative, interspersed with angst that seems unnecessary. Still, there is a lot here to delight middle-grade readers and fans of the series will certainly be glad to get their hands on this installment.—Eric Norton, McMillan Memorial Lib. Wisconsin Rapids

From [Booklist](#)

Picking up where *Island of Silence* (2012) ended, this installment finds the world of Artimé decimated and Alex Stowe with a growing list of problems. With no food or water, he is helpless to prevent the exodus of Unwanteds who are choosing a life of servitude in Quill rather than wasting away in a lost world. Furthermore, his friends are still trapped on Warbler, and Meghan, the only Unwanted who managed to escape the ill-fated expedition to Warbler, has been rendered mute by a necklace of thorns. But Mr. Today's faith in Alex was well-appointed. The development of Alex as a leader is one of the most satisfying aspects of the novel; it is in stark contrast to the regression of his twin, Aaron, still whining away in Quill and becoming increasingly paranoid. The series appears to have left its dystopian roots behind and developed into a full-blown fantasy saga. Another cliff-hanger ending will keep fans wanting more. New readers will need to start at the beginning in order to catch up. Grades 4-7. --Kara Dean

About the Author

Lisa McMann is the *New York Times* bestselling author of the middle grade dystopian fantasy series *The Unwanteds*, the YA paranormal *Wake* trilogy, and several other books for kids and teens. She lives with her family in the Phoenix area. Users Review

From reader reviews:

Derrick Robertson:

Reading a publication tends to be new life style in this era globalization. With studying you can get a lot of information which will give you benefit in your life. Along with book everyone in this world can easily share their idea. Ebooks can also inspire a lot of people. Plenty of author can inspire their own reader with their

story or their experience. Not only the storyline that share in the ebooks. But also they write about the data about something that you need illustration. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors these days always try to improve their ability in writing, they also doing some analysis before they write to their book. One of them is this Island of Fire (The Unwanted).

Meredith Daugherty:

Spent a free time for you to be fun activity to accomplish! A lot of people spent their spare time with their family, or their own friends. Usually they accomplishing activity like watching television, gonna beach, or picnic within the park. They actually doing same every week. Do you feel it? Do you wish to something different to fill your own personal free time/ holiday? Might be reading a book can be option to fill your free time/ holiday. The first thing that you'll ask may be what kinds of guide that you should read. If you want to attempt look for book, may be the e-book untitled Island of Fire (The Unwanted) can be excellent book to read. May be it might be best activity to you.

Lois Silvey:

Playing with family within a park, coming to see the marine world or hanging out with close friends is thing that usually you have done when you have spare time, subsequently why you don't try factor that really opposite from that. 1 activity that make you not sense tired but still relaxing, trilling like on roller coaster you already been ride on and with addition details. Even you love Island of Fire (The Unwanted), you are able to enjoy both. It is fine combination right, you still want to miss it? What kind of hang-out type is it? Oh can occur its mind hangout folks. What? Still don't get it, oh come on its known as reading friends.

Daniel Love:

Do you like reading a publication? Confuse to looking for your preferred book? Or your book ended up being rare? Why so many issue for the book? But just about any people feel that they enjoy with regard to reading. Some people likes examining, not only science book but also novel and Island of Fire (The Unwanted) or perhaps others sources were given know-how for you. After you know how the great a book, you feel desire to read more and more. Science book was created for teacher or students especially. Those publications are helping them to bring their knowledge. In some other case, beside science publication, any other book likes Island of Fire (The Unwanted) to make your spare time much more colorful. Many types of book like here.
