To Win Her Love (Players) By Mackenzie Crowne

To win the game, they'll have to risk losing their hearts...

When a bizarre child custody stipulation pits popular sports blogger Gracie Gable against football superstar Jake Malone, losing the battle for her twin nieces isn't the only thing Gracie has to worry about. Forced to live for three months under the same roof as the sexy tight end, will she fall prey to his flirtatious pursuit? Or worse, will the skeletons in her closet destroy her chance for the love and family she so desperately wants?

Neglected by his parents as a boy, Jake doesn't believe in happily ever after. Yet living with Gracie and the twins might be enough to change his mind—and his womanizing ways. But when the press unearths a scandal from Gracie's past, will he lose the one woman he was ready to open his heart to?

From the Author

When a romance author is a football fan, it's only natural she would combine the two loves and weave tales full of hunky heroes of the gridiron and HEAs. That was my plan when Gracie Gable, a popular women's sports blogger showed up in my head and introduced me to Jake Malone, the Manhattan Marauders' #1 tight end. What I didn't quite expect was the supporting cast of characters who showed up to play along with Gracie and Jake. The twins and Murphy quickly stole my heart while Tuck and Max, Jake and Gracie's best friends, charmed me to the core.

I love stories full of heart with strong heroines and solid heroes. Fun characters I can see myself sitting down with to share a martini are my absolute favorites. With the "Players" gang, I'd end up smashed, but the laughs and heartfelt emotion of their individual quests toward HEA would be well worth the hangover.

Each of these characters hold a special piece of my heart, and I'm thrilled to share their stories with you.
