Editorial Review

About the Author

Doris Burn wrote and illustrated Andrew Henry's Meadow in 1965. Her son, Mark, inspired the story while they lived on Waldron Island in the San Juan Archipelago in Washington State. Waldron Island had no electricity, running water, telephones or stores of any kind. Doe would chop wood for the fire in her small cabin every morning. She kept a perpetual cup of hot tea brewing as she looked out at the beautiful Canadian Gulf Islands through her studio window. Doe now lives on Guemes Island, not far from Waldron. Her four children and thirteen grandchildren all share her love of the islands. She also wrote Summerfolk (1968) and The Tale of Lazy Lizard Canyon (1976) along with illustrating a dozen other books. Doris Burn passed away on March 9, 2011 at the age of 87. She leaves Andrew Henry's Meadow as a wonderful legacy for many more generations of children (and adults) to enjoy.

Users Review

From reader reviews:

Troy Harlow:

Have you spare time for the day? What do you do when you have far more or little spare time? That's why, you can choose the suitable activity to get spend your time. Any person spent their particular spare time to take a stroll, shopping, or went to the actual Mall. How about open or perhaps read a book eligible Andrew Henry's Meadow? Maybe it is being best activity for you. You recognize beside you can spend your time with the favorite's book, you can better than before. Do you agree with the opinion or you have additional opinion?

Thelma Burke:

Book will be written, printed, or outlined for everything. You can learn everything you want by a guide. Book has a different type. To be sure that book is important factor to bring us around the world. Alongside that you can your reading skill was fluently. A guide Andrew Henry's Meadow will make you to possibly be smarter. You can feel much more confidence if you can know about anything. But some of you think that will open or reading some sort of book make you bored. It is not necessarily make you fun. Why they are often thought like that? Have you in search of best book or suitable book with you?

Floyd Alling:

Why? Because this Andrew Henry's Meadow is an unordinary book that the inside of the guide waiting for you to snap it but latter it will jolt you with the secret that inside. Reading this book beside it was fantastic author who else write the book in such remarkable way makes the content interior easier to understand, entertaining technique but still convey the meaning totally. So , it is good for you for not hesitating having this anymore or you going to regret it. This phenomenal book will give you a lot of gains than the other book possess such as help improving your talent and your critical thinking approach. So , still want to hold off having that book? If I were being you I will go to the e-book store hurriedly.

Royce Woods:

This Andrew Henry's Meadow is great publication for you because the content that is full of information for you who all always deal with world and also have to make decision every minute. This specific book reveal it facts accurately using great plan word or we can point out no rambling sentences included. So if you are read this hurriedly you can have whole facts in it. Doesn't mean it only provides straight forward sentences but tricky core information with attractive delivering sentences. Having Andrew Henry's Meadow in your hand like having the world in your arm, facts in it is not ridiculous 1. We can say that no reserve that offer you world within ten or fifteen moment right but this e-book already do that. So , this can be good reading book. Hey Mr. and Mrs. stressful do you still doubt this?
