Photographing the Southwest: Volume 1--Southern Utah (2nd Ed.) (Photographing the Southwest) By Laurent Martres

A must for everyone with a Passion for the Southwest! Have you ever wanted to see with your own eyes all the beautiful locations found in coffee table books, posters and travel magazines? Do you want to see the most photogenic spots in our national parks and monuments? Do you want to visit spectacular "off the beaten track" locations outside the parks? Are you are interested in rock art and early Native American dwellings? The Photographing the Southwest guidebook series is the culmination of over twenty years experience exploring and photographing the natural landmarks of the Southwest. Volume 1 will take you to the heart of Southern Utah, home to some of the Colorado Plateau's most outstanding highlights. Beyond the National Parks of the famed "Grand Circle", you'll discover many hidden locations of Red Rock Country as well as Indian rock art and cliff dwellings. The book also makes a quick side trip into Northeastern Utah to explore the remote area around Dinosaur National Monument. Enough for weeks of new discoveries in the area!

- 320 pages of great information for everyone; no need to be a photographer
- 240+ full color photographs, to previsualize most of the sites
- Major upgrade of highly-praised 1st edition; entirely rewritten, many new locations
- Hundreds of locations, including the best spots and how to get there
- All the major national parks, monuments and state parks
- Clear and precise directions provided for seldom seen and hard-to-find sites
- Lots of travel tips not usually found in traditional guidebooks
- Where, when and how to get the best shots
- Valuable tips on composition, exposure and hard-to-shoot scenery

- Comprehensive ratings for each location (interest, difficulty, etc.)
