Unbreakable (Unraveling Book 3) By Elizabeth Norris

I Am Number Four meets the TV show *Fringe* in this thrilling, high-stakes sequel to *Unraveling*.

Four months after Ben returned to his home universe, Janelle believes she'll never see him again. Her world is still devastated, but civilization is slowly rebuilding, and life is resuming some kind of normalcy—until Interverse agent Taylor Barclay shows up, asking for Janelle's help. Somebody from an alternate universe is kidnapping people and selling them on different Earths. And Ben is the prime suspect. When Janelle learns that someone she cares about—someone from her own world—is one of the missing, she knows that she has to help Barclay, regardless of the danger.

Now Janelle has five days to track down the real culprit, locate the missing people before they're lost forever, and reunite with the boy who stole her heart. But as the clues add up, Janelle realizes that she may not know Ben as well as she thought. Can she uncover the truth before everyone she cares about is killed?

In this heart-pounding sequel to *Unraveling*, author Elizabeth Norris explores the sacrifices we make to save the people we love and the worlds we'll travel to find them.

Editorial Review

From [Booklist](#)

This taut sequel to *Unraveling* (2012) picks up four months after Janelle and Ben save the world and sacrifice their true love in the process. The world they rescued, though, will never be the same, and Janelle struggles to find a new normal, haunted by ghosts and memories. But there's no time for nostalgia; Interverse agent Taylor Barclay appears with news of an inter-universe human trafficking ring, and Ben is the prime suspect. Fans of the first novel will find much that's familiar: Janelle's strength, Elijah's affinity for the f-bomb, plenty of adrenaline, and the relentless tick of a countdown clock to begin each short, episodic chapter. And at least one obligatory, heartbreaking good-bye. But there are plenty of surprises in store as well, with abundant plot twists and betrayals to keep readers on the edge of their seats. Norris seeds the intrigue with sf details (hydrochloradneum bullets prevent inter-universe hand-ons healing, it turns out) and balances the violence with the palpable drama of adolescence. **HIGH-DEMAND BACKSTORY:** With a companion novella from Ben's point of view on the horizon and MTV developing *Unraveling* into a scripted series, Norris's fanbase is destined to grow. Praise for *UNRAVELING*: "If Veronica Mars snatched a case from Mulder and Scully, you'd get this fast-paced page-turner. With a heroine full of moxie, wicked surprises around every corner, and non-stop action, *UNRAVELING* is an irresistible thriller." (Andrea Cremer, New York Times bestselling author of the *Nightshade* trilogy)

From the Back Cover

Four months after Ben disappeared through the portal to his home universe, Janelle believes she'll never see him again. Her world is still devastated, but civilization is slowly rebuilding, and life is starting to resume some kind of normalcy—until Interverse Agent Taylor Barclay shows up, asking for Janelle's help. Somebody from an alternate universe is running a human-trafficking ring—kidnapping people and selling them on different Earths. And Ben, with his unique abilities, is the prime suspect. Now his family has been imprisoned and will be executed if Ben doesn't turn himself over within five days. When Janelle learns that someone she cares about—someone from her own world—has become one of the missing, she knows that she has to help Barclay, regardless of the danger.

Now Janelle has five days to track down the real culprit. Five days to locate the missing people before they're lost forever. Five days to reunite with the boy who stole her heart. But as the clues begin to add up, Janelle realizes that she's in way over her head—and that she may not have known Ben as well as she thought. Can she uncover the truth before everyone she cares about is killed?

In this heart-pounding sequel to *Unraveling*, author Elizabeth Norris explores the sacrifices we make to save the people we love and the worlds we'll travel to find them.
