Editorial Review

Review

"Crime victimization has emerged as one of the most central, timely, and critical issues to understand among policymakers, practitioners, and academics. Daigle and Muftic have crafted an excellent resource for students and professionals alike to learn about the "big picture" as well as the more detailed problems and solutions surrounding victimology. This book is approachable, digestible, and leaves the reader with a comprehensive understanding of the state of victimology – and the key areas that will increasingly become important in the future." (Kate Fox)

"Victimology is an expansive field making it a challenge to cover well in a single text. Nevertheless, Daigle and Muftic, two respected and prolific researchers, have done just that with their comprehensive coverage of victimology in their new text. I find that this work offers everything one needs to gain a broad understanding about victimology in a single source. It is welcome addition to the victimology literature and a text sure to be widely used and appreciated."

(Callie M. Rennison)

About the Author

Leah E. Daigle is an associate professor in the Department of Criminal Justice and Criminology in the Andrew Young School of Policy Studies at Georgia State University. She received her PhD in criminal justice from the University of Cincinnati in 2005. Her most recent research has centered on the correlates and consequences of victimization and recurring victimization. Her other research interests include the development and continuation of offending and victimization across the life course. She is author of *Victimology: A Text/Reader*, coauthor of *Criminals in the Making: Criminality Across the Life Course* (2nd ed.) and *Unsafe in the Ivory Tower: The Sexual Victimization of College Women*, which was awarded the 2011 Outstanding Book Award by the Academy of Criminal Justice Sciences. She has also published numerous peer-reviewed articles that have appeared in outlets such as *Justice Quarterly*, *Journal of Quantitative Criminology*, *Journal of Interpersonal Violence*, and *Victims and Offenders*. In 2014, she was awarded the Andrew Young School of Policy Studies Excellence in Teaching Award.

Lisa R. Muftic is associate professor in the Department of Criminal Justice & Criminology within the College of Criminal Justice and the assistant director for the Crime Victims' Institute at Sam Houston State University. She received her PhD in criminal justice from North Dakota State University in 2006. For the 2012-2013 academic year she was appointed the US Fulbright Scholar to Bosnia and Herzegovina where she was a visiting faculty member with the Faculty of Criminal Justice Sciences, Criminology and Security Studies at the University of Sarajevo. Dr. Muftic has extensive experience in the areas of violence against women, human trafficking, and international criminal justice issues, with special expertise regarding the situation in Bosnia and Herzegovina. Her published scholarship has appeared in well-respected refereed journals including *Justice Quarterly*, *Crime & Delinquency*, *Journal of Research in Crime & Delinquency*, *Violence Against Women*, *Journal of Interpersonal Violence*, and *Victims and Offenders*.

Users Review

From reader reviews:

Reva Morison:

The book Victimology can give more knowledge and information about everything you want. So just why must we leave the great thing like a book Victimology? A number of you have a different opinion about guide. But one aim this book can give many data for us. It is absolutely appropriate. Right now, try to closer together with your book. Knowledge or information that you take for that, you may give for each other; it is possible to share all of these. Book Victimology has simple shape however, you know: it has great and big function for you. You can appear the enormous world by wide open and read a publication. So it is very wonderful.

Ann Mickey:

Your reading sixth sense will not betray anyone, why because this Victimology reserve written by well-known writer whose to say well how to make book that may be understand by anyone who all read the book. Written inside good manner for you, still dripping wet every ideas and writing skill only for eliminate your current hunger then you still uncertainty Victimology as good book but not only by the cover but also by content. This is one book that can break don't judge book by its handle, so do you still needing a different sixth sense to pick this kind of!? Oh come on your looking at sixth sense already told you so why you have to listening to yet another sixth sense.

Mary Moore:

Is it an individual who having spare time in that case spend it whole day by simply watching television programs or just lying down on the bed? Do you need something new? This Victimology can be the response, oh how comes? It's a book you know. You are consequently out of date, spending your extra time by reading in this new era is common not a geek activity. So what these ebooks have than the others?

William Brown:

What is your hobby? Have you heard which question when you got college students? We believe that that problem was given by teacher on their students. Many kinds of hobby, Everybody has different hobby. And you know that little person just like reading or as reading through become their hobby. You should know that reading is very important as well as book as to be the matter. Book is important thing to include you knowledge, except your teacher or lecturer. You find good news or update with regards to something by book. Many kinds of books that can you choose to adopt be your object. One of them is niagra Victimology.
