The First Book of Enoch has been a most controversial book for centuries. The Book of Enoch is of importance to those interested in theology, and controversial knowledge as well as angelology and demonology. Book of Enoch: All About the Three Books of Enoch is by Number 1 Best-selling author and translator Dr. A. Nyland, translator of the Complete Books of Enoch: All Three: New Translation with Extensive Commentary.

ABOUT THE AUTHOR.

Dr. A. Nyland spent her time on Faculty at the University of New England, Australia, teaching ancient grammar, conducting a lengthy replication of a Bronze Age horse training text, and drinking espresso. She is the best selling translator of such books as The Complete Books of Enoch and author of What Were the Watchers? as well as Nephilim and Giants. The information based on her books is not based on her own opinions, but is presented with a view to getting actual facts out there. This is harder and harder in this day and age with misinformation spreading like wildfire on the net, driven by all the books by authors who know no ancient languages, and get their information from English translations rather than the original texts. It is futile to research ancient texts in English translation.
