King Jesus: Prince of Judaea and Rome (King Jesus Trilogy) (Volume 2) By Ralph Ellis

New 2015 edition.

**** King Jesus was King Izas ****

This book finally confirms that the gospel's St Paul (Saul) was actually Josephus Flavius the historian. However, this novel identification has exposed new information and new perspectives on the life of Jesus, who was actually a real king of Judaea.

Quote: "Priests and kings were anointed ... hence the title 'christ' or 'messiah' often signified the same as 'king'." (Commentary on the Bible, Adam Clarke 1832.)

Contrary to orthodox perceptions, King Jesus and Queen Mary Magdalene were the richest couple in Syrio-Judaea. The Romans wanted to impose taxes on Jesus and Mary, an imposition that provoked the Jewish Revolt. King Jesus fought and lost that war, and so he was crucified, reprieved and sent into exile in a Roman prison in England. In those remote lands, King Jesus became known as 'King Arthur and his twelve disciple-knights of the Round Last Supper Table'.

This identification of Jesus as a wealthy, royal, warrior-hero of first century Judaea may sound bizarre, but that is what the texts say. All research and quotations are from original sources, including the New Testament, Tanakh, Talmud, Josephus, Origen, Eusebius, Irenaeus, Herodian, Suetonius, Tacitus, Clement and many others besides. This is a secret history that has been deliberately concealed from us for two millennia – for those feet, in ancient times, did indeed walk upon England's mountains green!

Sequel to: 'Cleopatra to Christ'.

Followed by: 'Jesus, King of Edessa'.

v 9.9

Editorial Review

About the Author

Ralph Ellis has been researching biblical history for more than thirty years, to a degree and depth that very few other researchers manage to reach. His research is purely historical, and places all the characters and events within the biblical narrative back into the historical record. This has required some adjustment of the biblical chronology, but this is never done without justification. The result of these endeavors is ten books that explain almost every facet of biblical history, in purely historical terms. Remarkably, it would appear that the majority of the biblical record is a fairly reliable account of real historical events - the fundamental events that have shaped and formed Western civilisation. So the Bible is history, but Ralph will leave it to others to explore and explain the spiritual aspects of this great historical narrative.

Users Review

From reader reviews:

Helen Thibodeaux:

The book King Jesus: Prince of Judaea and Rome (King Jesus Trilogy) (Volume 2) can give more knowledge and information about everything you want. Exactly why must we leave the good thing like a book King Jesus: Prince of Judaea and Rome (King Jesus Trilogy) (Volume 2)? Several of you have a different opinion about publication. But one aim this book can give many facts for us. It is absolutely right. Right now, try to closer together with your book.
