Life in the Kingdom (Scriptural Roots of Commerce) (Volume 3) By Jim Petersen

Political intrigue, partisan bickering, corruption, economic crisis, the rise and fall of empires—such is the nature of the world’s kingdoms. Jesus called people to a kingdom that operates according to different values. The greatest people in his kingdom are servants, not dictators. His kingdom is founded on justice, not self-seeking corruption. The kingdom of God advances not with force, but as people open the door to God’s reign in their lives. Life in the Kingdom will challenge the way you live and call you to higher ground.
