Editorial Review

From School Library Journal

Baby/Toddler—The adorable picture book about picky eating has been adapted for the smallest nosher. Happy Little Pea leads a content life with Mama and Papa Pea. His only gripe is having to eat the worst thing ever for dinner—candy! As in the original, the use of white space in contrast with the bright, pea green of the main characters makes this tale visually appealing to young readers. A counting element and a twist ending will have them coming back for seconds and thirds.
