**New Images of Nazi Germany: A Photographic Collection** By Paul Garson

With its battlefields paved over and its bunkers crumbled, the Third Reich of Nazi Germany nevertheless lives on in countless photographs that record an era of extraordinary brutality. This collection of more than 500 photographs taken by amateurs and professional propagandists provides a panoramic overview of Nazi Germany, offering intimate glimpses into living rooms and killing grounds, kitchens and concentration camps, movie theaters and battle fronts. The explanatory text explores the context of the images. Together, these photographs, most never before seen, create a time capsule, capturing the faces of Hitler's soldier's as well as those who suffered under the Nazi onslaught on humanity.

### Editorial Review

From [Booklist](#)

Noted photojournalist Garson has compiled more than 400 photographs—mostly snapshots—of everyday life in Nazi Germany, many previously unpublished. These images chronicle an unforgettable era in human history, documenting both the everyday (family portraits, soldiers on holiday, candid shots) as well as the horrific (skulls dangling from decimated tree branches, soldiers posing with dead bodies, wounded civilians and soldiers—including a rather arresting image of a soldier literally frozen in place). Garson does an excellent job captioning the meticulously researched photos as well as contributing an interesting narrative. There is an appendix covering the types of cameras in use at the time and a brief bibliography. This important and engrossing work is recommended for most public and academic libraries. --Rebecca Vnuk

Review

"Paul Garson has compiled an endlessly fascinating book that contains hundreds of images, most published for the very first time. Be engrossed, be enthralled, be revolted by them but don't look away. They are too important to ignore." --Flint Whitlock, Editor, WWII Quarterly

"Paul Garson's New Images of Nazi Germany provides a vivid and sometimes shocking portrait of the Third Reich, from mundane scenes of everyday life experiences enjoyed by German families to important photographic evidence about mass murder of the European Jewish population. This important book will make one both feel and think about the nature and actions of National Socialist Germany in a way that is both disturbing and exasperating, but nonetheless of great importance." --Eric Johnson, Central Michigan University
